

🐾 WELCOME TO THE DOG HOUSE: WHERE TAILS WAG AND RULES JAG! 🐾

In this canine kingdom, we bark the rules loud and clear, but don't worry, we promise not to bite! So, strap on your leash and get ready for a fur-tastic time!

🚫 1. STRICTLY NO DRUGS! 🚫 We don't care if your doggy treats are legal in the state of "Barkansas." If we catch you dealing with anything stronger than a squeaky toy, you'll be fetching yourself right out the door with a lifetime ban. No exceptions, even if you claim it's just medicinal catnip!

🚫 2. NO SMOKING! 🚫 We love the smell of bacon as much as the next pup, but smoking is strictly prohibited. The only thing we're inhaling here is the aroma of wet fur and squeaky toys. Keep the air clean so everyone can enjoy a breath of fresh panting!

🍷 3. NO DRINKS ON THE POOL TABLE! 🎯 We want your aim to be as accurate as a squirrel spotting its acorn stash. Save the spillage for your water bowl, not the pool table. Wet paws and billiard balls don't mix – unless you're into canine chaos and soggy felt.

🍷 4. NO FOOD ON THE POOL TABLE! 🍷 Just like you, our pool table has a sensitive stomach. If you're hungry, fetch a snack and leave the table for the epic battles of cue versus ball. No one wants to see a cheese-stained cue stick.

👤👤 5. UNDER 16? FETCH AN ADULT! 👤👤 Pups under 16, you're not in the dog park anymore. Fetch yourself a responsible human over 18 to chaperone your tail-wagging adventures. We're all about responsible dog ownership here – no puppy shenanigans without supervision!

🎯 6. POOL PLAY RULES: PUT YOUR MONEY WHERE YOUR KIBBLE IS! 💰 Want to hustle your way to the top dog status on the pool table? Place your money on the side, and patiently wait your turn. No cheating, no growling, just friendly competition. May the best tail-wagger win!

🐾 7. HAVE FUN AND BE NICE TO EACH OTHER! 🐾 In the Dog House, happiness is our top dog priority. So, wag those tails, share your toys, and remember: kindness is cooler than a pup with sunglasses. Let's keep the good vibes rolling and the tails wagging!

👤 P.S. If you can't follow the rules, you might find yourself in the "Time-Out for Terriers" corner. Trust us, it's not as fun as it sounds! 🚫
